

COMMANDER

BARRA PRO SC

— 450

The Commander Barra Pro range is a premium, multipurpose vessel built to handle almost any fishing adventure. Proven across Australia from shallow-water flats fishing in Queensland to chasing barra in the Northern Territory, trout in Tasmania's alpine lakes and offshore fishing in New South Wales, these boats deliver true all-round performance. Featuring a full-height motor well, 50L underfloor fuel tank and side console steering, the Barra Pro offers the perfect inshore/offshore crossover package while remaining easy to store, launch and retrieve solo.
